

faces of the patients and most of all my own personal health has improved very much.

“HEALTH IS WEALTH”, “PREVENTION IS BETTER THAN CURE”, “MONEY CANNOT BUY HEALTH AND HAPPINESS”, “TIME AND TIDE WAIT FOR NO ONE” – therefore do not hesitate to extend our care and love to others in order to heal ourselves and our world.

雪隆区第一届高级班上课时，魏老师教导学员们滤血调整的方法。
Students of the advanced course are learning how to filter blood.
