The end of June this year, noticed in the left eye at 9 o'clock position, there is a small circle and seeing floaters. Applied adjustments for myself, after several times, this symptom gradually faded. In addition, I have been feeling pain first above the stomach area where the heart situated, after adjustments several times, the pain gone. Further more the aches and pains in the loin area for over 30 years, an aged old problem were improved with adjustments; it is so wonderful, hard to imagine!

Symptoms and adjustments : Floaters - C7 + eyes.

Pain in the heart - C7 + C4 + heart.

Loin pain - C7 + loin area.
